

“The Dukes of Hazzard” Family Reunion & Car Show

The Louisiana version of the “The Dukes of Hazzard” family reunion will take place Saturday, September 29, 9 a.m. - 6 p.m. at Henderson Auctions on Hwy 190 west of Livingston, LA. Scott Innes, the voice of cartoon characters Scooby Doo & Shaggy for Warner Bros. and former top-rated Baton Rouge radio show host, along with singer-songwriter Jim Hogg of the Jim Hogg Advertising Group, and attorney Sherman Mack will bring this fun-filled exciting day to Livingston Parish, Louisiana.

Stars who will be on hand for the reunion include John Schneider (Bo Duke), Catherine Bach (Daisy Duke), James Best (Sheriff Roscoe P. Coltrane), Sonny Shroyer (Deputy Enos Strate), Ben Jones (Cooter Davenport), and Rick Hurst (Deputy Cletus Hogg). Kids will love Roscoe’s famous Bassett hound “Flash” who will be here as well taking pictures with the kids in the Livingston Parish SPCA Booth with Terri Dunlap.

America is in love with these characters from “The Dukes of Hazzard” TV show, and it still runs in hot rotation on CMT-TV. Similar events titled “Dukes Fest” and “Hazzard Homecoming” in Nashville generate crowds of around 100,000 Duke fans each year.

“We feel it is high time to bring such a fun event to Louisiana!” said Hogg (who has said you can just call him “Boss” Hogg.)

The day’s events are free to the public and will include a “Daisy Dukes” shorts contest, over 60 vendor booths, live bands, a jambalaya cook-off and a huge car show. A number of 1969 Dodge Chargers decked out like the world famous “General Lee” will also be on hand for fans to take pictures with. All makes and models of cars and motorcycles are welcome at the car show, and awards will be given for 1st, 2nd and 3rd places and Best of Show. Homer Thornton is the contact for the car show and can be reached at Hommyt@gmail.com or 225-773-3370.

Fans from all over the country are already planning to make the trip to see their TV heroes. The Facebook fan site is growing by huge numbers every day and is a great way to find up-to-the-minute information.
